Any discrepancies in the score will need to be worked out by the two teams comparing their scorebooks. In event of uncertainty, the official book will govern. If an official book is not kept in the score booth, the teams will go book to book, and the home team's book will be considered official. Subs shall be reported to the umpire and the opposing team's scorekeeper.

Weather delays will be determined by umpires and tournament director. All games will resume from the exact place the game was delayed if it was not considered a complete game. 5 innings (or 4-1/2 if home team is ahead) will be considered a complete game. In the event of weather delays, games schedules may change and shorter time limits may be imposed. Weather refunds: None if 2 or more games played; 50% of entry fee if 1 game played; and full refund if no games played.
